MASTER PROFESSIONAL SERVICES AGREEMENT

AGREEMENT ID:	**MSA-2026-8804**	**EFFECTIVE DATE:**	October 1, 2026
SERVICE PROVIDER:	Proofline AI Technologies Inc.	**TERM LENGTH:**	24 Months
CLIENT:	Acme Global Logistics Corp.	**ANNUAL VALUE:**	**$120,000 USD**
GOVERNING LAW:	State of California, USA	**PRIMARY JURISDICTION:**	San Francisco County

SECTION 1: SCOPE OF WORK & SERVICES

Provider agrees to deploy and maintain its enterprise Document Verification and Grounding Platform for Client's internal freight and customs audit operations. Services include automated optical character recognition, deterministic semantic entity extraction, and multi-tenant audit verification with zero hallucination guarantee.

SECTION 2: COMPENSATION & PAYMENT SCHEDULE

Milestone	Description	Due Date	Amount (USD)
Phase 1	Architecture Setup & Pipeline Validation	Nov 15, 2026	$30,000
Phase 2	Custom Extraction Rules & LLM Fine-Tuning	Jan 30, 2027	$45,000
Phase 3	Enterprise Scale Launch & Staff Onboarding	Apr 15, 2027	$45,000
		Total Contract Value:	**$120,000**

SECTION 3: CONFIDENTIALITY & DATA PROTECTION

Both parties agree that all customer records, shipping manifests, and proprietary neural network weights constitute Protected Confidential Information. Client data shall never be stored unencrypted and shall never be utilized to train public foundation models without prior written consent.

EXECUTION AND AUTHORIZED SIGNATURES (PAGE 2)

SECTION 4: SERVICE LEVEL AGREEMENT (SLA)

Provider guarantees 99.9% uptime for the Document Verification API endpoints. In the event of service degradation exceeding 15 minutes per calendar month, Client is entitled to a 5% billing credit. All document extraction jobs are guaranteed to complete within 12 seconds per page.

SECTION 5: SIGNATURES & RATIFICATION

IN WITNESS WHEREOF, the parties hereto have executed this Master Professional Services Agreement as of the Effective Date written above.
